FORESTRY SCHOOLS

KS1 - FROGS

Thursday 6th September 2018

Dear Parents / Carers

The school is continuing to do the excellent work we started in 2016 through our forestry school sessions.

The children will take part again, in practical activities on the school premises, in our forestry area.

The activities will be interesting and lots of fun. They will take place every Monday afternoon 1.30pm – 3.00pm. Please note these sessions will take place even if the weather is inclement.

We request that children come into school wearing their school uniform and bring clearly labelled suitable outdoor clothing in a bag to change into after lunch. Please re-iterate to your child the importance of putting their things away so clothing items are not lost.

We do have shower proof overalls in school for the children to use but would also suggest:-

Wellington boots / waterproof boots

Suitable warm trousers to wear under the overalls

Warm top

Waterproof jacket

The first session is Monday 10th September 2018 and the last session will be Monday 22nd October 2018 - 7 sessions in total.

If you have any further questions please do not hesitate to contact me.

Yours sincerely

Mr J Carter

Forestry School Leader
