POPPY DAY APPEAL 2018

Friday 26th October 2018

Dear Parents / Carers

After the half term we will have poppies on sale for the children.

Along with the poppies, The British Legion has also sent in a number of "goodies", such as pencils, snap rulers, wrist bands and more!!!

The British Legion are coming into school to do an assembly for the children on Friday 6th November 2018.

This year may we suggest a minimum donation of £1.00 and the children will receive a poppy and a treat. Any donation will be greatly received should you wish your child just to have a poppy.

The pupil council will visit each class every day during a maths lesson so we can combine handling cash within the lesson.

Thank you for your continued support.

Mrs S Machin
Principal
