Dear Parents / Carers

We will hopefully be continuing with TTRockstars as children have stated that they are finding it both enjoyable and useful.

In addition to this, we have been made aware of a couple of other websites for you to trial: -

<https://www.mathschase.com/>

If you want to choose a specific multiplication / addition fact, then please access the following website: -

<https://www.mathschase.com/all-games/>

We would also like to remind you that our website contains a homework letter with additional links to alternative multiplication websites.

A direct link to 'mathschase' is also available.
