'ROLE REVERSAL'

The school theme this year is role reversal, and we thought what a good idea to have the children come into school dressed as any staff member, (teachers, TA's, dinner ladies, caretaker, office ladies and of course the principal, and the staff will come into school dressed as the children.

We suggest a minimum donation of £1 please, towards this wonderful charity.

The school will not be selling red noses this year, but the children are welcome to bring any in.
