EYFS - NURSERY & RECEPTION OUTDOOR ENVIRONMENT PROJECT

Wednesday 10th April 2019

Dear Parents / Carers

We are currently designing and planning our outdoor environment for the Summer Term for our children in the Early Years (Nursery and Reception).

To help us enhance the activities we have planned, we are asking for your help by donating any of the following items that you might have in your sheds, garages etc.:-

Construction Area

Guttering, plastic pipes, off cuts of wood (that has been planed and had all nails, screws removed), gravel, large plastic buckets, empty cable spools, tarpaulins etc.

Mud Kitchen

Saucepans, plastic cups/glasses/plates/bowls/funnels, cutlery, cooking utensils e.g. large wooden spoons, ladles, potato mashers, whisks, slotted spoon, fish slices etc., chop sticks, metal tea pots, plastic/metal containers/jugs, plastic/metal trays etc.

Garden Centre

Watering cans, planters (plastic/wooden), gravel, Astroturf, plant pots, artificial flowers, baskets, plastic vases, wheel barrows (child and adult size), gardening gloves, small trowels/spades etc.

If you have any other items that are not listed but think they might be of use to us, please speak to us.

Thanking you in advance

Mrs Best and the Early Years Team
