Dear Parents/Carers

School Garden Donations for the Robins Class

Our school is taking part in the annual School Garden Competition. The Robins Class garden project is to represent the 'church' in our allocated flowerbed.

During our science lessons we will be thinking about the parts of a plant and what plants need to grow in turns of light, water and soil etc. as well as longer term care of plants.

We would like your child to bring in either a green/purple/gold/white/red plant (to represent the colours of the church year) that your child can plant in our bed on Wednesday 5th June.

If you have any other ideas relating to the church theme, please feel free to send in any suggestions or items.

After planting we will continue to visit the garden to tend to the plants and watch them grow. Let's see if we can make the Robins Class bed the best one in the garden area!

Thank you

Mrs Huckfield
