Dear Parents/Carers

School Garden Donations for the Frogs Class

Our school is taking part in the annual School Garden Competition. The Frogs Class garden project is to represent the canal in our allocated flowerbed.

We would like to recreate the bright colours used in canal art and focus on the flowers that are painted onto barges.

During our science lessons we will be thinking about the parts of a plant and what plants need to grow in terms of light, water, soil etc. as well as longer term care of plants.

We would like your child to bring in brightly coloured flowers that have been planted into jugs by Wednesday 5th June.

If you have anything relating to the canal that you think may be of use, please send it into school with your child. We are also on the look out for Rosie and Jim themed artefacts so please keep your eyes out!

After planting we will continue to visit the garden to tend to the plants and watch them grow. I want to make sure that the Frogs have the winning class flowerbed!

Thank you

Miss Bills
