

Monday 9th September 2019

Dear Parents / Carers

RE RECEPTION MILK

When your child reaches their 5th birthday they are no longer entitled to free milk in school.

If your child wishes to continue with milk at morning break there is a cost of 20p per day / £1.00 weekly.

All children can continue this week with free milk, but if your child has turned 5 by Monday 16th September 2019 then you will need to start and pay for their milk.

You can pay via ParentPay, and your login details should now have come home. Please contact me if this is not the case.

We cannot accept daily payments and it would be preferable if you could pay the term in advance. The minimum amount to pay on ParentPay will be £5.00 and the maximum will be £8.00. We do keep a daily register and if paid milk is not taken then the amount is carried forward.

There will be a reminder on diary dates at the end of each half term re milk, but no individual letter reminders will come home so please keep your milk payments up to date to ensure your child continues to have milk.

Thank you in advance
