PLACES ARE NOW AVAILABLE FOR SEPTEMBER 2020

St Edward's Church of England Academy is a thriving and successful educational community that offers a well disciplined and supportive environment.

At St Edward's, we have the highest expectations of all our pupils and value each of them as individuals whilst supporting them to achieve their potential.

As a school, we understand that learning and success comes in many forms. Therefore, we aim to offer the opportunities and environment which enables each pupil to discover their God given talents.

We are proud to offer a myriad of extra curricular and out-of-classroom experiences, from chess club and gardening to rugby and musical productions. Such activities foster a team spirit and help to nurture those characteristics that set St Edward's pupils apart. They are also a testament to the commitment and enthusiasm of our staff to provide a setting where each child can flourish.
