Dear Parents / Carers

Winnie's Amazing Pumpkin

This half term we have already begun to work hard in Year 1 and 2 using the book 'Winnie's Amazing Pumpkin' as a stimulus.

Instead of a Launch Day we will celebrate the work we have done using 'Winnie's Amazing Pumpkin' on Monday 21st October.

We will be making and eating pumpkin soup as well as other activities related to the story. The children don't need to bring anything into school but can choose what they wear – school uniform, chef's clothes or dressed as Winnie.

We will contact parents of children with allergies / food intolerances nearer the time to ensure they can take part.

Look out for regular pictures on Twitter to find out what your children have been doing at school.

Thank you for your continued support of the school.

The KS1 Team

Miss Gratton (Robins), Mrs Hordern (Frogs) and Mrs Gliddon (Bats)
