

**Learning and Caring Together,
“...they will flourish in the courts of our God.” (Psalm 92:13)**

Tuesday 12th November 2019

Dear Parents / Carers

As you are aware, Ofsted inspected our academy on 22nd and 23rd October 2019. Our inspection was conducted using Ofsted's new Education Inspection Framework (used from September 2019). We have received the final report and are happy to share it with you today.

As you will see on the report, **St Edward's CofE Academy, Cheddleton, is judged as a GOOD SCHOOL.**

I am sure that you will agree that the report is very positive and we are proud that it reflects our high quality education and care at St Edward's. The report will also be available on our academy website and on Ofsted's website this week.

In line with a change in Ofsted inspection focus, we had identified our improvement points prior to inspection. You will be pleased to hear that the development of foundation subject curriculum plans and assessment processes are on our academy development plan for 2019-2020.

As ever, thank you for your continued support and home-school partnership working with us and your valued contributions that support St Edward's in being a GOOD school!

With kindest regards

Mrs Machin
