

**Learning and Caring Together,
“...they will flourish in the courts of our God.” (Psalm 92:13)**

Wednesday 29th January 2020

Dear Parents / Carers

Science Watch Me Learn and Join in

As part of National Science Week 2020 6th - 15th March 2020, each class will be planning and carrying out lots of exciting science activities throughout the week.

We are offering you the opportunity to come and join in with your children in their classrooms on:

Tuesday 10th March 2020

KS2 at 9.15am - 9.45am

KS1 at 9.30am - 10.00am

Wednesday 11th March 2020

Foundation Stage at 9.15am - 9.45am

Due to popularity and Health and Safety reasons, we will be limiting places available in each classroom. Adults will only be able to attend one session this time; but don't worry...there will be more 'Watch Me Learn' sessions throughout the year to give you further opportunities to find out how your children are learning in other national curriculum areas.

If you would like to attend, please complete the slip below and return to school or email the school office **by Friday 6th February 2020.**

On the day, please come to the school office to sign in and you will be shown to your chosen classroom.

We look forward to welcoming.

Yours sincerely

**Michelle Gliddon
Science Co-ordinator**

Squirrels, Foxes and Spiders Watch Me Learn Tuesday 10th March 9.15am - 9.45am
Robins, Frogs and Bats Watch Me Learn Tuesday 10th March 9.30am - 10.00am
Bees and Hedgehogs Wednesday 11th March 9.15am - 9.45am
