

**Learning and Caring Together,
“...they will flourish in the courts of our God.” (Psalm 92:13)**

Thursday 6th February, 2020

Dear Parents/carers

I cannot believe that we have already reached the halfway point of your child's first year at St. Edward's Academy. The children have grown so much not only in stature but also in all aspects of their development and it has been a privilege to part of this important part of their learning journey.

To enable your child to continue to develop their personal, social and emotional development and prepare for the transition into Reception; we would like the children to start coming into the Nursery unaccompanied by their parents/carers. This will give them the opportunity to become more independent e.g. taking off their coats and putting their bags and other belongings in their trays etc. There will be a member of staff on the door and also in the cloakroom to ensure your child is supported and supervised as they enter school. We would like the children to start this new arrangement after half term (w/c 24th February) and therefore will have a trial run during the last week of this half term (w/c 10th February).

I would like to thank you for your fantastic home-school partnership working and look forward to enjoying the second half of the year as much as the first! If you having any concerns or questions, please do not hesitate to speak to me.

Kind regards,

Mrs Best
EYFS Lead/Teacher
