Dear Parents / Carers

SCHOOL DINNERS AUTUMN TERM 1 2020

Having received an update from Fresh Start, I am writing to share information regarding school dinners for the autumn term. As an academy, we have had to choose whether Fresh Start provide hot **OR** cold in September.

Fresh Start will, therefore, continue providing a cold packed lunch, freshly made each day in our school kitchen. The packed lunches will be delivered to classes where the children will eat there school lunch. This will ensure that the integrity of each 'class bubble' is maintained.

Enhanced cleaning arrangements that are already in place, will continue prior to the lunches being eaten. The school kitchen will be deep cleaned prior to re-opening. Not all kitchen staff will be back to start so that social distancing will be adhered to in the kitchen. All kitchen staff will wear the appropriate PPE and have received up to date training on COVID-19 and their operation manual has been amended accordingly.

Please see the attached packed lunch menu. Meal manager will be available during the holiday period to book your meals in advance. Please remember that it is imperative meals are booked by the Tuesday prior to the week the meals are being taken; for example meals for the first week back must be booked by **Tuesday 25th August 2020**.

Please ensure that if your child requires a school lunch it is booked. It will be difficult to accommodate 'no bands' during this first half term.

Should you have any questions please contact Fresh Start direct on 01869 226675

I wish you all a fabulous summer break and look forward to seeing you all in September.

Kind regards
