

# Re-opening St Edward's Academy, Cheddleton

Staffordshire  
University  
Academies  
Trust

## Why can more children go to school?

It is good for children's mental wellbeing.

It is good for children to socialise with other children.

School is the best place for them to learn.

## What has changed?

June 1st

From June 1st we will welcome back children, but only from Nursery, Reception & Year 1. School will still be open for key workers' children and vulnerable children.

## What about their brothers and sisters?

Only children in the year groups above.

Children in years 2, 3 & 4 need to stay at home

They can keep using the learning packs on the school website and the other national resources such as BBC and Oak Academy

## How are you making sure school is safe?

We will check for risks before school is open.

Everyone will wash their hands regularly.

If a child or family member is sick they can not come to school.

School will be cleaned regularly.

There will be less children in a room together.

To do this we will need to make changes to the school day.

## Does my child have to come to school ?

If your child is well and in one of the groups asked to attend they should.

There will be no fines if your child does not go to school.

## Will my child be tested ?

If your child is aged 5 years or over & shows symptoms of Coronavirus they will be able to be tested.

# What if there is a case of Coronavirus in school?

The person with symptoms must self isolate for 7 days.

The people they live with must self isolate for 14 days.

If anyone at school tests positive, the whole class must self isolate for 14 days.

## What else might change?

The time you drop off and pick up your child.

Your child may have a different classroom & teacher.

They may not have all their usual lessons.

We will change how we serve lunch.
