ST EDWARD'S CE ACADEMY,
CHEDDLETON**

SEAC Supplement Policy Statement

At St Edward's CE Academy, Cheddleton, we practice in line with our trust (Staffordshire University Academy Trust) Remote Learning Policy and associated policies with the specific amendments/personalisation set out below:

Providing feedback on work:

To minimise the transmission of infection, paper copies of completed work will not be accepted by the academy. Feedback will be provided on this work when it is shared on the child's portfolio on ClassDojo.

Keeping in touch with pupils who aren't in the Academy and their parents:

Any complaints or concerns should be directly forwarded to the Academy Principal Mrs Sue Machin, Mrs Hordern or Mrs Leese.

Live lessons, video conferencing and recordings

Parental permissions are sought for video recordings of live lessons to be shared to enable all children within the year group to access the lesson at a time convenient for families. Live lessons are stored on TEAMS in the Year Group channel and are automatically deleted after 20 days.
