Friday 11th March

My Year of Learning and Parents' Meetings

Dear Parents/Carers

Your child's **MYOL** will be sent home **today via ClassDojo messages** to share with you how they have progressed in their learning and other achievements since you last received the MYOL in November.

You will also receive a copy of your child's most recent common exception word spelling list (CEW). From this, you can see the words they have spelt correctly in their work and test and those that are not yet secure. We will continue to send spellings home to learn weekly but you can supplement these with other words from the CEW list too.

We will be hosting **Parents' Meetings on Tuesday 29th March** for you to discuss your child's MYOL with your child's class teacher. Moving forwards, we will be offering a choice to meet via Teams or in school, to provide flexibility for working parents and childcare arrangements. However, **we believe it is important, for all, that the first parents' evening post Covid restrictions should be face to face in school, where you will also have the opportunity to experience the academy environment and your child's books.**

Please see below for appointment times and procedures for making an appointment. I ask that you are mindful of the teachers' workload, wellbeing and own personal commitments but am sure that they will do their very best to offer and alternative if 29th March is really not an option for you. Please liaise with them via Dojo Messenger if this is the case.

Once you have read your child's MYOL, please use ClassDojo messages to let your child's class teacher know your 1st and 2nd choice of time slots for Tuesday 29th March and we will contact you via ClassDojo Messenger with your appointment time in due course. If you have siblings in school, we will ensure we give you appointments with enough time between them to speak to teachers purposefully.

3.30-5.00pm	5.00 – 6.00pm	6.00 – 7.00pm

If you have any queries about the information above, please message me or your child's class teacher on ClassDojo Messenger.

We look forward to welcoming you all back into school!

Kind regards,

Mrs Hordern
