

The Queen's Hat

MATHS- Please continue with your regular weekly mental maths homework activities.

ENGLISH – Year 1 – Research your favourite animal. Write a report about them using the headers – Name, Where does it live? What does it eat? What do you find interesting? **Year 2 –** Research your favourite animal. Write a report about them using the headers – Name, Habitat, Diet, Fantastic fact.

Science – The Queen has a Corgi with her on her travels around London. If this dog was wild, where would it live? Find out about a wild dogs habitat and diet.

GEOGRAPHY –What is your favourite London landmark. Draw a picture of it and label it.

Art/DT & RE – Create a silhouette portrait of the queen. Use a secondary colour which has been made by mixing two primary colours. (green, orange, purple)

Computing – Research for Geography, science,

MUSIC – Listen to Prokofiev Troika. Which instruments would you link to different animals and why?

Active PE – Create a dance sequence to represent one of the 'Queen's men's movement through London.

My Activity Passport

Year 1 –Record different sounds and ask others to guess what they are.

Year 2 –Join in with the NSPB Big Garden Birdwatch (27-29 January). You can sign up for this and let us know what you see.
