

Year 3 SEAC Mental Maths Homework for Summer 1

3 times table

The minimum expectation of engagement in mental maths homework is the same as reading. **3 times a week for at least 5 minutes each session. KS2 – As a minimum expectation, your child must complete the weekly sessions set for them, by the class teacher on TT-Rockstars. These sessions are monitored by the KS2 team via the online forum.** Below are some additional suggestions for activities you could do in a 5-minute session.

Verbal	Practical	Written
Partner games: Someone says a number E.g 3 and your child says what 3 x 3 is.	Listen to and join in with this -times table Super Movers. KS2 Maths: The 3 Times Table - BBC Teach	Beat a partner: With a partner choose a random card from the deck. Multiply the number card by 3. Write down the calculation E.g $3 \times 4 = 12$. Did you beat your partner?
Practice your 3 times table during activities E.g walking, singing or in the car.	Set a timer. Jog on the spot for 60 seconds and see how many 3 times tables you can say.	With a partner create 3 times tables multiplication problems. E.g $\square \times 3 = 15$ $3 \times \square = 12$
Partner game: Someone says the answer E.g 30 and your child has to say the question E.g 3×10 makes 30.	 Use an egg carton and write a number in the bottom of each depression. Put a marble inside. Shake the egg carton, open the top, and whatever number the marble has landed on, you multiply it by 3.	Match the answer to the calculations. $3 \times 1 = 9$ $3 \times 3 = 3$ $3 \times 2 = 6$ $3 \times 5 = 15$ $3 \times 10 = 30$
https://www.youtube.com/watch?v=z_BJiR9rdwA Listen to and join in with this x3 song.	Play multiplication bowling on Maths Frame for the 3x table.  https://mathsframe.co.uk/en/resources/resource/504/Super-Maths-Bowling-Multiplication	Ask your child to be the teacher and mark the calculations you have written (you need to write some incorrectly for them to mark too. E.g $3 \times 1 = 6$ $3 \times 2 = 9$

If you have chosen to complete some of these additional activities, you can show this to your child's class teacher and child champion by uploading 1 Dojo post a week, onto your child's portfolio. Thanks, the KS2 Team.
