

Learning and Caring Together,  
“...they will flourish in the courts of our God.” (Psalm 92:13)

Parents / Carers

At St Edward's CE Academy Cheddleton, we believe that all children are entitled to an enriched curriculum that encourages holistic learners who are aware of the importance of a healthy body and a healthy mind. Most children, and indeed families, look forward to the school's sports day. There is a lot to be gained from these events -

- It is a chance to come together and celebrate sport, fitness and health and all that has been learnt and achieved in PE throughout the year.
- It can build confidence and self-esteem.
- It can give pupils a sense of teamwork and shared goals.
- It can teach about winning, losing and trying your best.
- It is a chance for children who are more physically confident and competent to shine.

We have decided to run the sports day event in a similar manner to last year, with different events taking place each afternoon but over a series of days. This is still competitive but gives the children more opportunities to excel without as many external pressures. As with last year, we are inviting the parents into the school on **Monday 17<sup>th</sup> July and Tuesday 18<sup>th</sup> July at 1:15pm** until the end of the school day. This will give you the opportunity to see your child take part in two different activities. If you have more than one child at the school, you can either book to come on both afternoons or move to the alternative class at the halfway point when the event changes. Please send a message via Class Dojo to the Office to book in, stating the dates you will be attending.

Thank you
