

Year 2 SEAC Mental Maths Homework for Spring 1

This half term your child will be working on these targets in their mental maths learning.

Number bonds to 100
10 times table

The minimum expectation of engagement in mental maths homework is 3 times week for at least 5 minutes each session. Below are some suggestions for activities you could do in a 5 minute session. Please inform your child's class teacher of **at least 1 activity you complete each week on your child's portfolio on DOJO.** Remember, these are just ideas, we welcome any other mental maths activities that your child completes.
