

Key Stage 1- Summer 1 The Way Back Home

The home learning opportunities below, relate to the units of learning we are teaching in school. Please choose from the suggested activities to complete this half term. Take a photo of the activity and add it to your child's portfolio on Class Dojo so your child's teacher or Child Champion can see what your child has been doing. If you require an exercise book to do this work in, please message your child's class teacher.

The home learning opportunities below, relate to the units of learning we are teaching in school.

English – Write a book review about the book 'The Way Back Home by Oliver Jeffers.'

Science- Which materials would be best to build a rocket to take you to your planet? Why?

Computing – Take a picture of the planet you have designed.

Geography – Write and describe what the weather would be like on the planet you have designed.

History – Research Buzz Aldrin or Michael Collins and write a fact file about them.

Music – Listen to and appraise 'Space Man by Sam Ryder' What do you like about the music? Which instruments

Art and Design/ Design and Technology – Design and create your own planet using recycled materials.

RE – Write a prayer for someone in need.

PE – Create a dance to 'Space Man by Sam Ryder.' Think about the sequence of actions you use.
