

## Nursery SEAC Mental Maths Homework for Autumn Term 1

This half term your child will be working on these targets in their mental maths learning.

<b>Counting numbers 1 and 2</b>
<b>Recognising numbers 1 and 2</b>

The minimum expectation of engagement in mental maths homework is the same as reading - **5 times a week for at least 5 minutes each session**. Below are some suggestions for activities you could do in a 5-minute session.

<p>Ask your child to repeat the number you say.</p>	<p>Ask your child to mirror your actions in the air, writing 1 or 2.</p>	<p>Write the number 1 or 2 in sand, soil, flour etc. Can your child say what number it is?</p>
