

Year 1 SEAC Mental Maths Homework for Autumn Term 1

This half term your child will be working on these targets in their mental maths learning.

Fact Families to 10
One More, One Less - numbers 0-10
Two More, Two Less - numbers 0-10

The minimum expectation of engagement in mental maths homework is the same as reading.

3 times a week for at least 5 minutes each session. Below are some suggestions for activities you could do in a 5 minute session.

Verbal	Practical	Written
Partner games: Someone says a number E.g 5 and your child says what 5+1 is equal to.	Children to use pasta or other household objects to add 1. 	A selection of calculations written for the child to practice E.g $2+1 =$ $6+1 =$ $5+1 =$
Chanting or singing 5+1 is 6, 6+1 is 7. Your child might enjoy the songs/games on the following links: https://www.youtube.com/watch?v=Du6JHupzwVo https://www.youtube.com/watch?v=CCK0Zw-kXuI	You shout out a number E.g 7 and your child has to do 7+1 star jumps or action of your choice.	Match the answer to the written calculations. 2+1 8 6+1 3 7+1 7
Partner game: Someone says the answer E.g 8 and your child has to say the question E.g 7+1 makes 8.	A game of go fish: You have cards with calculations on and cards with answers on and you place them face down on the table. Can your child find the matching calculations and answers? Number bonds to 10 target – put number cards face down. Find the pairs that make 10 when added together.	Ask your child to be the teacher and mark the calculations you have written. (You need to write some incorrectly for them to mark too. E.g $4+2 = 5$ $6+2 = 9$)
Use a random number generator to pick a number between 1 and 10. http://ichoice.io/ten-random-numbers  Your child sees the number and calculates E.g $8 + 2 = 10$.	Play on Hit the button – click 'number bonds', then 'make 10'  https://www.topmarks.co.uk/maths-games/hit-the-button	Write the answers down E.g 2, 7, 10, 4, and ask your child to write the calculations relating to their target to match the answer.

Please inform us of 1 activity you complete each week on your child's portfolio on DOJO.
