Monday 16th March 2026

Peak Wildlife park

Dear Parent/Guardian,

We are delighted to share some exciting news. Our school recently entered the **Attraction Action Primary Project** in celebration of Staffordshire Day and we are pleased to announce that we have been selected to take part.

We appreciate that this opportunity has come through at short notice following our recent selection and we understand that the turnaround time is quite quick. However, it is a fantastic opportunity for the children and one we are very excited to be able to offer.

As part of this, **Reception, KS1 and KS2 pupils** have been invited to visit **Peak Wildlife Park** on **Friday 27th March**, the final day of the Spring term. We will leave school at **9:15am** and return at **approximately 4:30pm**. During the visit, the children will explore the park and learn about the animals, conservation work and the importance of protecting wildlife.

Cost of the Visit and Consent form

Peak Wildlife Park has kindly offered the visit free of charge. We are also very grateful to our PTFA for contributing towards the coach costs. We therefore ask for a **£6.91** contribution **via ParentPay** to help cover the remaining cost of transport. Please complete the consent form and make payment **via ParentPay** by **Monday 23rd March** so that we can confirm travel arrangements.

Lunch Arrangements

We ask that children bring **a small backpack with a packed lunch inside**. If your child usually has a school dinner, please send them with **an empty backpack** so their **ordered school packed** lunch can be placed inside for the trip.

Clothing

We ask that children wear sensible clothing suitable to the weather predicted. Children should wear:

- Full school uniform (School shoes suitable for walking)
- A waterproof coat
- Small backpack for their lunch

Information on Staffordshire Day Project

As part of the project, our school will contribute to a Staffordshire Day display at the park on May 1st. Working with the Eco Council, the children will design **large 3D animal models made from recycled materials**.

To support this, we encourage families, in their own time, to collect clean recyclable materials (such as plastics, metals or packaging) and, if possible, take part in **litter picking in your local area**. These materials will help us create our display while promoting care for the environment.

This is a whole-school trip, and we hope every child will be able to join us for what promises to be a memorable and exciting end to the Spring term.

Thank you for your continued support.

Kind regards,
Mrs Melling
