Rev. Julie	St. Andrew's Church

Aims:

Christian Council aims:

To develop our Christian distinctiveness to enable us to flourish as a church school by...

- Ensuring that the school's Christian vision and values are reflected within the life of the school.
- Providing opportunities for children, staff, LAC link members and members of the community to have an active role within the council, what decisions are made and the monitoring/ planning of class worship/ whole school worship.
- Creating and developing areas for outdoor worship and reflection in and around the school.
- SIAMS – Keeping updated with the current framework.
- Each member being an active leader of change for Local, National and Global work focusing on the 17 'Sustainable Development Goals'.

Christian Council members have had a fantastic year who have continued to support their own class reflection areas, keeping it up to date with reflection area non-negotiables and changing the coloured cloths when required. Christian Council members have ensured that the morning prayer is completed daily and The Lord's prayer is completed in the afternoon within class and ensure the prayer space activities are used and monitored where necessary. EYFS Christian Council members have ensured that our lunch time prayer is completed in the dinner hall before we have our lunch. A fantastic example of being a leader within their responsibility duties.

Christian Council have continued to encourage the school/ community to support our ongoing charities: Foodbank and Fairtrade.

As we come to the end of the school year Christian Council will be supporting Mrs Huckfield/ Mr Warrington to create a prayer for the Lichfield Diocese to present to the retiring Diocesan Bishop, The Rt Revd Dr Michael Ipgrave OBE.

Aims:

ECO Council aims:

To enable us to flourish as an ECO-friendly church school by...

- Ensuring that the school's Christian vision and values are reflected within the life of the school.
- Providing opportunities for children, staff and LAC members to have an active role in the ECO council and how to actively encourage the school and community to be more environmentally friendly and sustainable.
- To keep up to date with current affairs relating to being environmentally sustainable.
- A clear understanding of ECO and its meaning which is 'ECO - Something that is environmentally friendly or sustainable.
- The Eco Council are effective in leading academy actions for climate change (new initiative each year).
- Each member being an active leader of change for Local, National and Global work focusing on the 17 'Sustainable Development Goals'.

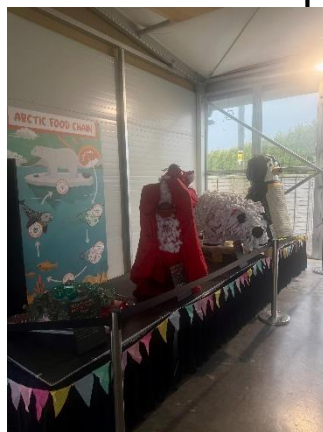

ECO Council have diligently continued to promote recycling within our school. KS1/KS2 ECO Council members have completed weekly monitoring of the school paper/ plastic recycling bins and emptied them weekly. In the Spring Term, ECO Council worked with the whole school to create our own designed large 3D animal sculptures as a competition project for 'Staffordshire Day' with Peak Wildlife Park. We won this competition and our animals were proudly on display during May enabling all children a free ticket to go and visit the display.

ECO Council back in March planted 'seed' pods in our designated Wild Flower Meadow. These seed pods were a present to the school gifted by Mrs Hordern who retired last year. These seeds have been carefully cared for by ECO Council and the Gardening club and now we are delighted that the pods have flourish and we have two stunning beds filled with wild flowers.

Finally, St Edward's CE Church set ECO Council a challenge to support them this July with a 'Creation Display'. ECO Council were asked to create an animal that was critically endangered, highlighting the importance of caring for all animals in God's world. This was a real success and the display with our animals that ECO Council created at home looked fantastic.

Luka	Frogs' class
Abigail & Riley	Foxes' class
Harper & Rosalyn	Spiders' class
Agnes Hill	LAC Link/ St. Edward's Church
Pam Kinshott	LAC Link/ St. Edward's Church

Aims:

Pupil Council aims:

To enable us to flourish as a church school by...

- Ensuring that the school's Christian vision and values are reflected within the life of the school.
- To promote Pupil Voice, solve problems and have an active role/ impact on the school community.
- Monitor the impact of extra-curricular activities/ visits in school/ Personal Development Passports (PDP).
- Pupil voice demonstrates that all children know, understand and carry out their leadership roles independently and effectively (monitors, ambassadors, councils).
- Each member being an active leader of change for Local, National and Global work focusing on the 17 'Sustainable Development Goals'.

Pupil council have continued to actively seek out pupil, parent/ community voice wherever possible to help enable St Edward's to flourish. Most recently they have worked alongside Mr Carter to create ideas and suggestions for after school clubs, ready for September. This helps to support our current PDP 'Personal Development Passports' where the whole school works through new achievements, appropriate to their current year group.

We continue to seek out 'Agents for Change' within our community and acts of 'Courageous Advocacy' are promoted through our windows, mirrors and doors display in school.

'Agents for Change' has been a focus in the Summer Term for Pupil Council. Pupil Council have launched a very special charity appeal to support Milly's charity. This charity was selected by a pupil at our school that supported her during a difficult time whilst in hospital. Pupil Council asked for each person to sponsor their wellie that they donate with a colourful plant (linking to Milly's theme which is bright colours) and display in front of the Community Garden. The display so far is stunning and it really does show how we have followed and walked with this pupil, Locally, Nationally and Globally. All monies are being counted on Friday 17th July and a post on dojo/ Facebook will inform everyone of how much we have raised for this special charity.
