Transition and Class Information for September 2026

Dear Parents and Carers,

As we approach the end of another successful school year, we are beginning preparations for September and supporting children with their transition into their new classes. This is always an exciting time of year, as children find out about their new teachers and start looking ahead to the opportunities and experiences that await them in the next stage of their learning journey.

We are pleased to share the class organisation for the next academic year:

Transition Days

To help children feel confident and prepared for September, we will be holding two transition days on **Tuesday 30th June and Wednesday 1st July**.

During these days, children will spend time with their new teacher in their new classroom environment. They will have the opportunity to become familiar with new routines, expectations and learning spaces through a range of carefully planned activities. These will include:

- Class art projects
- PSHE "Worries and Wishes" sessions
- Team-building activities
- Opportunities to ask questions and share any thoughts about moving year groups
- Time to get to know their new teacher
- Class display opportunities
- Influential Christian, bible stories and class value activities

Children should arrive at school as normal and attend registration in their current classroom. They will then be accompanied to their new classes by staff after. Collection will also remain from the usual place as children will return to their current teacher before the end of the day.

Information for September

Today, your child will bring home a Key Stage Information Leaflet containing important information to help you prepare for the new academic year. We hope this answers many of the questions you may have regarding routines, expectations and key information.

Should you require any further information, please do not hesitate to contact the school office or speak to a member of staff. We also encourage you to visit our school website, where you can find additional information and updates.

To support children and families with transition, you may also wish to visit the 'staff' page on our school website, where you can learn more about the staff who will be working with your child next year. Scanning the QR code will take you to the correct page.

End-of-Year Reports and Open Evening

On Friday 10th July, you will receive your child's end-of-year report MYOL. This report celebrates your child's achievements and progress throughout the academic year.

Following this, we will be holding an informal **Open Evening on Monday 13th July from 3:30pm until 5:00pm.**

This will provide an opportunity for you to:

- Look through your child's work from this academic year
- Celebrate their achievements and progress
- Discuss any questions or concerns arising from the end-of-year report
- Meet your child's new teacher ahead of September

No appointment is necessary, as this will be an informal drop-in session.

We understand that transitions can bring a mixture of excitement and uncertainty for some children. Please be assured that we are committed to making this process as smooth, positive and enjoyable as possible. We are confident that all children will settle quickly into their new classes and continue to flourish next year.

Thank you, as always, for your continued support. We look forward to continuing to work with you and your children during the remainder of this term and beyond.

Yours sincerely,

Mr McKay

Deputy Principal
